### FOR IMMEDIATE RELEASE

January 10, 2018

#### **Kids' Trout Fishing Day Scheduled for 2 Acre Lake**

On Saturday February 10<sup>th</sup>, 2018, 2-Acre Lake (behind the Wal-Mart Super Center by Mill Creek Lake) in Canton will be the site of a Kids' Trout Fishing Day. The event, which is sponsored by Texas Parks & Wildlife Department, the City of Canton, local merchants, civic organizations, and many individual contributors, will run from **1:00 pm til 4:00 pm.**

Soft drinks, and hot dogs will be provided, and there will be drawings for door prizes for participating kids. Anglers are encouraged to bring their rods, reels and bait, to take a chance at catching some of the 2,852 rainbow trout that will be stocked by Texas Parks and Wildlife Department. Whole kernel corn, Berkley power bait, and small spinners are generally the favorite baits for trout.

Because this event is sponsored in part by Texas Parks and Wildlife Department, there is a special exemption in effect during the event. **Adults who are actively helping kids fish for trout are exempt from the normal license requirements during the event only (1:00 pm – 4:00 pm, Saturday February 10<sup>th</sup>, 2018).** All other anglers are required to have a freshwater fishing license. There is no minimum size limit on rainbow trout, but there is a daily bag limit of 5 fish per person.
